3. Advisory Notes

- (a) When fishing, or when operating vehicles in the vicinity of Heysham Flat Skear, take care to avoid live colonies of the Honeycomb Worm. These are a protected species, and damaging them could lead to a fine of up to £20,000, revoking of authorisations and **closure of the fishery**.
- (b) NWIFCA officers have the power to withdraw authorisations at any point should the need arise, and will consult with Natural England throughout the duration of the fishery. Should there be concerns that losses of mussel around Morecambe Bay is occurring which will impact on the available bird feeding resource, the NWIFCA will withdraw authorisations and close the fishery.
- (c) Avoid driving vehicles over the seed mussels as far as possible. Using a single access route will avoid unnecessary damage to the mussel stock.

This authorisation may be revoked by the NWIFCA at any time and any breach of the terms or conditions of this authorisation shall make it null and void.
