MMO APPOINTEES TO NWIFCA

SUPPLEMENTARY REPORT

Purpose: To report the position with regard to renewal/reappointment of MMO appointees to NWIFCA

Recommendation: The report be received.

1. It has been noted that the four or eight year NWIFCA membership term for several of our MMO appointees expired in 2018 and a further seven are due to expire in 2019. Only one of those members whose appointment expired in 2018 has received written confirmation that their appointment has been extended.
2. Clarification on the position has been sought from MMO and any update on the situation will be reported verbally to the Authority on 14th March.
3. In the absence of any communication from MMO we will assume NWIFCA membership for those members concerned will continue until at least 10 years' service has been completed as allowed for in the Statutory Instrument.
