Introduction

1. The Marine Act requires each IFCA to provide an annual plan for the forthcoming year to the Minister by 31st March.

3. The attached draft NWIFCA annual plan 2017-18 shows planned actions against each of the criteria and indicators in the guidance in addition to the Authority's own priorities for the District.
4. Comments should be sent to office@nw-ifca.gov.uk and will be collated for consideration at the March meeting.
